Comfort Keepers - WI is proud to launch the 2018 STOP Senior Hunger Holiday Food Drive. Bring non-perishable food items to your Comfort Keepers office between July 16-July 20th. High protein, easy to prepare items like canned tuna, peanut butter, low-sodium soups, canned beans and canned fruit are especially needed. Donations will help seniors in your local community. We know that the caring hearts of Comfort Keepers will rise to the challenge. Thanks in advance for your support of this important cause!
